IEEE Student Branch inaugurated at Srinivas University

Mangaluru: IEEE Student Branch inaugurated at Srinivas University on 10th October, 2020 in a virtual programme.

The Branch was inaugurated by **Prof. Annappa**, Professor and OBC Liaison Officer, NITK. He said in his inaugural address that faculty and students should upgrade their skills to succeed in the international scenario. IEEE's mission is to encourage technological advancement and excellence for the good of humanity, operating based on learning, communication, cooperation and advancement. He explained the role of IEEE in the field of research. He explained the importance of IEEE standards and asked the members to be a part of the standard development process. He elucidated the standing of the largest digital library containing technical literature, conference proceedings and IEEE magazines for researchers. He also called on students and faculty to use the IEEE offerings through mentorship programmes for academic excellence. He described the importance of IEEE.tv which is the award-winning internet television network that contains several informative videos, video-lectures, and live streaming of IEEE events. He urged the researchers to update their knowledge by making use of IEEE.tv. He elucidated the importance of IEEE Collaboratec programme wherein researchers can collaborate with experts in the respective fields and obtain their guidance related to their research topics. He wished the branch to win many awards given by the IEEE.

Dr Niranjan U.C., Chair, IEEE, Mangaluru subsection, welcomed IEEE Srinivas University Student Branch for its operational jurisdiction and guided the unit on how it can plan and conduct activities that support technology in particular and society in general. He insisted Srinivas University to organise a colloquium under the banner of IEEE where the research scholars are to be trained to write technical papers and present them before the elite members and obtain their guidance. He also guaranteed all possible support.

Dr A. Jayanthiladevi, Professor, CCIS, Srinivas University and Branch Advisor, in her Guest of Honour speech, highlighted the need for an IEEE Student Branch in Higher Education Institutions and outlined the action plan to be pursued for its successful operation. She insisted the researchers make the best use of a reservoir of digital resources available under IEEE.

Prof Shridhar Acharya, Dean, CCIS, Srinivas University and Branch Faculty Advisor, thanked all well-meaning individuals who helped the College in setting up the Student Branch. He assured his fullest cooperation in the activities of the IEEE student branch.

Dr Krishna Prasad K., Director, Research Council, CCIS, Srinivas University and Branch Counselor in his welcome speech thanked all the College Research Scholars who have registered as IEEE Graduate Student Members and supported in the process of filing petitions and approval.

Mr Yogish Pai, Webmaster and **Ms Sangeetha Prabhu**, Social Media in-charge introduced official website of the SU Student Branch and the presence of the Branch in social media such as Facebook, Twitter, YouTube, Instagram, etc.

The programme was presided by **Dr P.S. Aithal**, the honourable Vice Chancellor of Srinivas University. In his presidential address, he praised the efforts of Dr A. Jayanthiladevi, Prof. Shridhara Acharya and Dr Krishna Prasad K. in the formation of an IEEE Student Branch in the University. He expressed his gratitude to the IEEE Bengaluru section and Mangaluru subsection for their technical and procedural help during the process of Branch creation. He called on the faculty and students to make maximum use of the resources and platform available in the form of the SU Student Branch and to participate in innovation and research activities. Also, he assured the full support and cooperation of the University in the conduct of any programme hosted by the Student Branch and wished the branch every success in its efforts. He advised the researchers to make good use of resources available under IEEE to develop their skillsets and contribute whatever possible for the betterment of society.

Mr Vinayachandra, Chair, IEEE Srinivas University Student Branch presented the yearly plan. The yearly plan comprises of guest-lecture series for the benefit of research scholars and students, collaborative programmes with other IEEE branches, sessions on cross-cutting issues for the benefit of the public, Participation in global student websites and social media competitions, organization of field trips to industry, offering tutorials to the non-IEEE members, organization of fundraising programs for charity or the projects of the student branch, participation in IEEE conferences, the publication of IEEE student branch newsletter and participation in engineering awareness programmes.

Mrs Geetha Poornima, Secretary, IEEE Srinivas University Student Branch proposed the vote of thanks. **Mrs Rajeshwari M.**, Chair, Programme Committee, IEEE Srinivas University Student Branch compered the programme.

The programme was attended by approximately 50 participants, including members of the SU Student Branch, CCIS Research Scholars, SU and IEEE Mangalore Subsection office bearers.
